SUHR RISK SERVICES OF CALIFORNIA CELEBRATES 100 YEAR ANNIVERSARY 1906-2006

BURLINGAME, CA -- Suhr Risk Services of California announced this week they reached their 100 year milestone as an insurance brokerage firm serving the interests of individuals, families, and businesses with roots in the Bay Area.

"Our long and proud history in California began in 1906 and the foundation prepared by the many that preceded us is carried on today by a talented and passionate group of people that make us very proud," commented John B. Suhr, CEO of Suhr Risk Services.

Suhr Risk Services is a full service insurance brokerage firm providing risk management services to a broad population. Their expertise in worker's compensation, estate planning, personal insurance, non-profits, grocers, franchised auto dealers, and other mid-size and publicly traded companies has been instrumental in their 100 year evolution.
